Congratulations to our 2017 Best Places to Work® Winners

March 21, 2017—The Chamber of Commerce of Huntsville/Madison County held a luncheon today to announce the winners of our 2017 Best Places to Work®.

Clearly, there is no shortage of great companies in Huntsville and Madison County who believe that they work for THE Best Place. But we all know that employees are the key to the success of any business. All of our contenders and winners have good reason to be proud. Winners of the Best Places to Work® awards are selected based on the input from their employees.

Today's ceremony marks the 10th year in a row that the Chamber has honored the Best Places to Work® in Huntsville and Madison County. Hats off to our co-emcees for a job well done: Greg Brown, CEO and CFO of Brown Precision and the Chamber's 2017 Vice Chair for Small Business and Events; and Lee Marshall, founder and CEO of Kids to Love. We'd like to also thank our presenting sponsor **First Commercial Bank**, whose generous support helped make this event possible. First Commercial Bank has been the presenting sponsor for all 10 years of this event!

Below are the five categories for the Best Places to Work®—and the Gold, Silver and Bronze winners in each category:
