

# Discover Huntsville's Finest Continuing Care Retirement Community

*Giving the Gift of Quality Care to Area Seniors.*

As the area's only locally owned and operated life care retirement community, Redstone Village offers a vibrant, hassle-free independent lifestyle with peace of mind for Huntsville seniors.

Redstone makes it easy to live each day your way. Instead of worrying about the burdens of home maintenance, our residents enjoy plenty of free time to do as they please – swimming in the indoor pool at our Aquatics Center, working out or taking a class in our Fitness Center. Delighting in the culinary talents of our executive chef in Redstone's beautifully appointed Dining Room, or an outing to one of the many Huntsville attractions. This community truly feels like home and so much more!

Come for a visit to see Redstone Village for you or a loved one today! To learn more, give us a call at **800-519-5170** to schedule a personal tour.
