

The University of North Alabama Career Center invites you to:

Intro EXPO

September 11, 2019 - Florence, Alabama

The Intro Expo will jump start a school year full of recruiting events and offers an opportunity for students to meet with employers and learn about possible full-time, part-time, internship, and co-op opportunities.

It is not a formal career fair. At a fair, students dress up, 'sell' themselves to employers, and cross their fingers that they get a job or internship. The Intro Expo removes the uncomfortable barriers of job searching and makes it easier for students to connect, network, and learn about employers in a more relaxed and supportive environment.

The Intro Expo is also an opportunity for employers to build their brand with UNA students. The ROI for employers is brand recognition and approachability at career fairs, which employers will be able to attend at no charge if they participate in the Expo. The \$250 registration fee covers all other Career Center sponsored events and any other on-campus outreach for the 2019-2020 school year.

To register and view our full event calendar, please visit career.una.edu or contact Natalie Morrow at nmorrow@una.edu.
