

ARE YOU WITH US?

Founded in 1937, HDT Global is the industry leader in the design, engineering and production of integrated expeditionary products and solutions for military, government, industrial and commercial customers – protecting them and the equipment they need to succeed in extreme environments.

At HDT, our employees aren't just doing a job, they're on a mission. Many of our 950+ dedicated personnel have served in the U.S. or in allied militaries, meaning that they have a strong connection with our customers' objectives and a zeal for mission success.

If you're curious, passionate about doing the right thing, and maybe a bit of a perfectionist then we want to talk to you. We're always looking for individuals that share our values and our commitment to the protection of those who protect us. We're looking for **Mechanical, Electrical, HVAC and Robotics Engineers, Design, Production and Quality Engineers, Accounting, Marketing, Sales and BD Support Professionals, Supply Chain and Procurement, RF Welders, Fabrication and Assembly, Material Handlers, Sewers, Painters and Inspectors.**
