

Mazda Toyota Manufacturing to Launch Second Phase of Mass Hiring

The company will announce details during Dec. 3rd Facebook Live event

(November 30, 2020) HUNTSVILLE, Ala. – Mazda Toyota Manufacturing, (MTM), the joint-venture automotive plant between Mazda Motor Corporation and Toyota Motor Corporation, will resume hiring for Production Team Member Positions on Monday, December 7, 2020.

The company will make its public announcement during a Facebook event on December 3, 2020 at 3:30pm CST. Members of the media and the community are invited to attend to learn more about how these direct hire, full time positions offer the opportunity to jump start a career in manufacturing.

“When you join the Mazda Toyota Manufacturing team you become a part of something bigger. Our Production Team Member positions are career opportunities on a world-class team of highly-skilled, high-trained coworkers supported by leadership committed to the individual success of each employee on our team,” said Janette Hostettler, MTM VP of Production. “We looked forward to launching this next phase of hiring and encourage all interested in joining our team to tune into the Facebook Live event to learn more.”

“The partnership between the State of Alabama and Mazda Toyota Manufacturing has been great not only for our state but also our citizens,” said Ed Castile, Deputy Secretary of Commerce. “We’re proud to support their hiring and training needs as they move into the next phase of their process and give more Alabamians an opportunity to jump start their manufacturing careers.”

MTM Production Team Member positions are direct hire, full-time positions on our team.

- Starting wage for production team members is \$17/hour with a top grow in wage of \$23/hour plus shift premium.
- MTM Production Team Members are provided benefits on their first day of employment including paid time off, vehicle discount program, and Medical / Dental / Vision.
- Eligibility to participate in MTM’s 401K with 6% employer match begins just 60 days after employment providing a pathway toward retirement savings.

Interested candidates may submit their application beginning December 7, 2020 at MazdaToyota.com.
