

CODE OF CONDUCT FOR AMBASSADORS & EMISSARIES

The **Emissaries** role in providing a conduit for members to provide feedback to the Chamber is vital to our ability to provide programming relevant to their needs and enhancing our service to our members. **Ambassadors** enhance the visibility of the Chamber with our members and the public.

Both the Emissaries and the Ambassadors play a key role in strengthening the relationship between the Chamber and our members.

Emissaries and Ambassadors are **not** spokespeople on behalf of the Board of Directors or Officers of the Chamber, and are **not** to speak on behalf of the Chamber. The responsibility of speaking on behalf of the Chamber resides with the Chairman of the Board and the President & CEO, and those they designate to speak on certain topics/issues.

The Huntsville/Madison County Chamber (HMCC) is committed to the highest ethical standards. Acting ethically is the foundation of all our endeavors. Our reputation depends upon the ethical conduct of everyone affiliated with HMCC. Volunteers, staff, and representatives set an example for each other, and for our members, by their pursuit of excellence in high standards of performance, professionalism, and ethical conduct.

While no document can anticipate all of the challenges that may arise, the Code of Conduct communicates key concepts and will assist HMCC volunteers, staff and representatives in making good decisions that are ethical and in accordance with applicable legal requirements. All are encouraged to discuss any questions or concerns they have with the President & CEO or Chairman of the Board of Directors.

1. REPRESENTING THE POLICIES, POSITIONS, AND/OR OPINIONS

Communicating the policies, positions, and opinions of the HMCC in a consistent manner by the appropriate officer or staff member is critical to maintaining the integrity of the Chamber's message and/or positions on key issues. Therefore, the following standards apply when communicating on behalf of /representing the HMCC:

- The Chairman and the President & CEO of the Chamber are authorized to speak on behalf of the Chamber.
- Vice Chairs of the Chamber are authorized to comment on activities within their respective divisions.
- Should a Vice Chair be unable to comment, the Vice President or Director of the division will speak on behalf of the Chamber when they have received clearance from the President & CEO to do so.
- Under no circumstances are Ambassadors or Emissaries empowered to represent the Chamber in public settings, to the press, or in written communications on

issues related to policies, positions, or opinions. The role of Emissaries is limited to interacting with their member contacts, sharing information on Chamber programs/activities, and sharing member concerns with Chamber staff.

2. PERSONAL AND PROFESSIONAL INTEGRITY

A personal commitment to integrity in all circumstances benefits each individual as well as the organization. We therefore:

- Strive to meet the highest standards of performance, quality, service, and achievement in working toward the HMCC mission.
- Communicate honestly and openly, and avoid misrepresentation.
- Promote an environment where honesty, open communication, and minority opinions are valued.
- Exhibit respect and fairness toward all those with whom we come into contact.
- Ambassadors and Emissaries should refrain from any conduct which is detrimental to the image of the HMCC. An Ambassador or Emissary may have their position terminated immediately due to such conduct.

3. GUIDANCE AND DISCLOSURE

Volunteers, staff, and representatives are encouraged to seek guidance from the Chief Executive Officer or Board Chair concerning the interpretation or application of this Code of Conduct. Any known or possible breaches of the Code of Conduct should be disclosed. Staff, HMCC representatives and volunteers should contact the President & CEO or an officer of the Board. Reports of possible breaches will be handled in the following manner:

- All reports of possible breaches will be treated in confidence as much as the organization's duty to investigate and the law allow. If confidentiality cannot be maintained, the individual disclosing the possible breach will be notified.
- All reported breaches will be investigated, and, if needed, appropriate action will be taken based upon the policies of the organization.
- Retaliation against a person who suspects and reports a breach in good faith will be treated as an independent breach of the Code.
- HMCC affirms prompt and fair resolution of all reported breaches.

4. BREACH OF PROTOCOL

Violation of the protocols will result in one or more of the following, depending on the nature of the breach:

- The President & CEO will meet with the person or people involved with the breach, explain the reason for the concern, and secure their assurance that such a breach will not take place in the future.
- The President & CEO will inform the offending person or people involved that their position as a volunteer Ambassador and/or Emissary has been terminated.
